

Walking with Jesus

Opening Prayer: Reflection Questions

- What is the spirit in which I give of my financial and material resources?
- What is my private prayer like?
- Is fasting a part of my Lenten practice? How effective has that practice been in past Lenten seasons?

Please respond: **Be merciful, O Lord, for we have sinned.**

**Grant us mercy, O God,
and out of your kindness show us your love.**

**In your compassion forgive the times
we have not listened to you or followed you.**

Create a pure heart inside us.

Do not send us away from where you are.

Send your Holy Spirit to accompany us.

**Give us a strong spirit that enables us
to be our true self and to help others.**

**Teach us your ways that we might grow closer to you
in this Lenten season.**

Amen.
